OUR PURPOSE

Friends of Reinstein Woods is a volunteer-led, nonprofit organization that supports environmental education programs offered through Reinstein Woods Environmental Education Center.

In partnership with the New York State Department of Environmental Conservation (DEC), each year we share nature with thousands of school-aged children at Reinstein Woods Nature Preserve and in schools and community centers across Western New York.

Your membership dollars support special programs that engage students from urban, underserved neighborhoods in understanding and experiencing nature. We also support programs that train classroom teachers to incorporate the environment into their classrooms and schools.

SHARE IN NATURE'S HARMONY

Whether you explore Reinstein Woods on an owl prowling, attend an energy-saving seminar, or volunteer for a trail cleanup, Friends of Reinstein has a hand in helping you share in nature's harmony. Friends of Reinstein supports quality environmental education programs offered by Reinstein Woods year-round. We even rent snowshoes and cross-country skis all winter at Reinstein Woods.

Our funding and volunteers also support stewardship projects designed to protect and restore the natural habitats at Reinstein Woods.

MEMBER BENEFITS

Friends of Reinstein members enjoy these benefits:

- One free snowshoe or cross-country ski rental annually, and discounts off additional rentals
- Discounts on program fees, including birthday parties and summer camp
- Members-only activities, including off-site hikes, guest speakers and more
- Newsletter
- Voting rights at the annual membership meeting, *AND*

Friends of Reinstein Woods takes part in the Association of Nature Center Administrator's reciprocal membership program, which provides discounts to nature centers across the U.S. and Canada!
