**Schoolyard Survey- Objects Team**

Team Members:_____
Date: _____

Measure objects to the nearest inch. For round objects, measure the diameter of the object.

| Item | Max. Length (or diameter) | Max. Width | Max. Height | Location |
|---|---|---|---|---|
| Bench | 3 ft. | 10 inches | 18 inches | South of the brick path next to the pond, 2 ft. from the corner of the building. |
