Spring Cleaning: How & Where to Properly Dispose of Medicine and Sharps

While sprucing up your house with a little spring cleaning, you may wonder what to do with that old bottle of medicine you found tucked in a cupboard. Improper disposal (like flushing medicine down a toilet) can be harmful to the environment.

The Erie County Health Department offers a website where you can find locations of medication and syringe disposal kiosks throughout the county. You can even print out the list of disposal sites and post them at your workplace.

For other types of waste you might gather during your spring cleaning, such as oilbased paints or solvents, visit Erie County's waste management and recycling page

to find out if it can be recycled or how to find a hazardous waste collection event. For information about these programs please visit: www2.erie.gov

Dare to Repair Cafe Keeps 664 Pounds Out of Landfill!

Thanks to a host of volunteers, more than 150 people were able to have items fixed- or find out whether their item was fixable - at the Dare to Repair Cafe held January 27 at Reinstein Woods.

Volunteer Repairing Lamp

Volunteer fixers (also known as "repair coaches") used their skills to help repair broken items including lamps, vacuum cleaners, furniture, clothing, and even a lawn mower! This reduces waste sent to a landfill.

To make it a real "cafe," Friends of Reinstein sold hot drinks and snacks for a small donation. We hope to host another cafe in the fall.

In the meantime, the University at Buffalo is hosting a Dare to Repair Cafe on Monday, March 12 at the Student Center on the North Campus.

Winter Wonderland: Snow - Filled Afternoon!

More than 500 people enjoyed a beautiful snowy day at Reinstein Woods' Winter Wonderland event in early February. We want to thank all of the volunteers who made the event possible! Special thanks to the Coalition of Positively Charged People, Buffalo Niagara Heritage Village, Buffalo Niagara Waterkeeper, DEC Forest Rangers, Earth Spirit, Erie County Park Ranger Jerry Kraina, Girl Scouts of WNY, and the SPCA Serving Erie County.

Winter 2018 Programs

PLEASE NOTE: Registration is required for ALL programs unless otherwise indicated. Dress for the weather! In the event of inclement weather, outdoor programs may be canceled. We regret that we cannot accommodate organized youth/civic groups at these programs. Please call to make alternate arrangements for your organization. Programs are free of charge unless otherwise noted. For further information or to register, call Reinstein Woods at 716-683-5959.

We welcome those who have any type of physical challenge to all of our programs. If you call ahead to let us know your needs, we will be happy to learn how we can serve you.
